OUT OF THIS WORLD ADMINISTRATIVE SUPPORT SERVICES

Home Hardware Advertising Campaign

Are you looking for a creative way to showcase your business locally? Do you like the idea of supporting local business? I encourage you to consider this new advertising opportunity and partnership between myself, MARRvellous Solutions, and the Sundre Home Hardware team. Effective April 1, 2020 we will be launching a new advertising campaign at the Sundre building centre. This is no joke!

For \$50.00 per month, your company has an opportunity to advertise on 2 large-screen monitors located at the front check out counter and rear lumber desk at the Sundre Home Hardware for 1 year. This fee provides you with 1 to 3 screen shots that last 5 seconds each. With a viewership of approximately 200-400 people per day, the cost is effective, local, and economical.

Clients are asked to provide a few photos and business details and MARRvellous Solutions will create a media package geared specifically for you! This opportunity will promote your brand, your business, your website and social media platforms. We can even assist you with branding, logo design, websites, and social media pages at an additional cost to help your businesses grow.

Would you like more information? Give me a call or send me an e-mail today. Stop into the Home Hardware and take a look for yourself. We have attached a few examples here for you to see as well as an agreement. Fill it out and send it in and I can get started on your campaign right away. I look forward to working with you!

Kind regards,

Jaime L .Marr - owner, MARRvellous Solutions
